

Windows Telix Suite

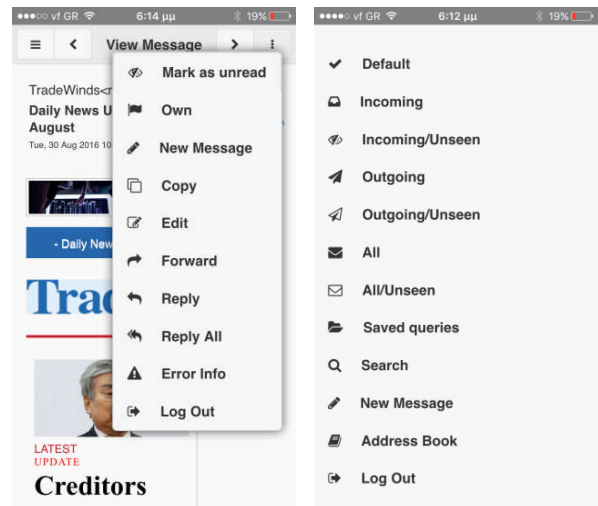

On The Go with iTelix app for iPhone and Android

With **iTelix App** you may stay in touch on the go. Review incoming messages, respond to important and urgent messages on time. We designed an easy and efficient user interface focused on the road warrior needs. Remote access to your office and emails using your iPhone or Android device. Check your messages and use all addressee details such as contacts, phones, addresses and notes. Reviewed messages and your remote work are synchronized on the go and immediately available back in the office.

Download the free application **iTelix** from iTunes or Google Play stores to work remotely with the same familiar look and feel you expect from all LgMAR applications and more:

-  Ultra-fast and reliable even with weak connections.
-  Text to speech, your phone will read aloud your incoming messages
-  Phone calls directly from your Telix address book
-  Select between messages of high interest, VIP senders, urgent projects or everything
-  Print messages from your phone
-  Useful and clear notifications about new messages.
